Event CPD skills webinar: Managing people (including virtual teams) to deliver optimum results

Date January 24, 2020

Why did you choose this activity and how is it relevant to you?

How many units are you claiming for this activity?

What did you learn and how/will you apply it?

ACCA members can use this learning to meet their CPD requirements provided it is relevant to their career. If the event contributes to general knowledge and skills, it should be recorded as non-verifiable CPD. If the learning can be applied in the workplace, it will contribute to verifiable CPD. One hour of learning equals one unit of CPD.
